PREAMBLE

We, the Democrats of Larimer County, do establish this Plan of Organization and the Rules of the Larimer County Democrats (the Rules) in order to: elect Democrats to public office; enhance an understanding of the political process and of the Democratic Party among current and new members; provide an effective and representative Party organization; promote the Democratic Party’s Platform; sustain the human and constitutional rights of all persons; provide a mechanism for making our political institutions responsive and accountable to the aims and needs of our Citizens; promote individual freedom in the framework of a just society and political freedom in the framework of a meaningful participation by all citizens.

PART ONE - PRINCIPLES

1.1 - NAME

A. The Name.

The legal name of the organization shall be the Larimer County Democrats, hereinafter referred to as LCD. The LCD is a part of the Colorado Democratic Party (CDP) and the Democratic Party of the United States of America.

B. Use of Party Name.

No person, groups of persons, or organization shall use the name or address of the LCD in any manner, unless the person, groups of persons, or organization has received permission to use the name or address from the Executive Committee of the political party. The Chair of the LCD Central Committee may, on the Chair's own motion, take cognizance of any contest or dispute over the use of the LCD name, or any attempted use of the LCD name, or the use of the word "Democratic" by any Assembly, voter, or set of voters, which, in the Chair's judgment, may not be entitled to it. The Chair may take such action as the Chair deems necessary to resolve disputes concerning the use of the Party name and shall make a report of such disputes and actions at the next meeting of the LCD Central Committee. [C.R.S. 1-3-106](#) and [C.R.S. 1-3-108](#)

C. Party Endorsements.

The use of the word "Democratic" shall not be used in any endorsement of any candidate or issue in a Larimer County election without permission, in writing, from the Chair. The endorsement of a candidate(s) shall not occur in partisan elections except through the action of the LCD Central Committee or in accordance with the official nomination and Assembly procedures in Part Four, below.

Endorsements in nonpartisan elections shall only occur in accordance with the CDP's current [GUIDANCE ON ODD-YEAR ELECTIONS](#)

If the LCD provides information from any level of the Party to a Democratic candidate for election, this same information should be made available to other Democratic candidates in the same election.

Any person responsible for violations under this Section of the Rules shall be barred from holding any LCD office for a period of two years from the date of the violation.

1.2 - AUTHORITY

From the time of its convening until the time of its final adjournment, the County Assembly shall exercise all powers given to the LCD by the CDP and Colorado State Statute. The County Assembly shall be the "Convention" mentioned in Colorado Law as the body with "final authority" to govern. At all other times the governing body of the LCD shall be the Central Committee, with full powers of the Assembly. The Executive Committee shall, between meetings of the Central Committee, exercise powers as delegated to it by the Central Committee and these rules, including the resolution of controversies. The LCD Chair shall carry out the mandate of the State Central and/or the State Executive Committee. [C.R.S. 1-3-105](#), [C.R.S. 1-3-106](#)

1.3 - PARTY PRINCIPLES

A. Party Membership

The LCD shall be open to all who desire to support the Democratic Party, who wish to be known as Democrats, and who are not members of any other registered political Party. The forms of participation are subject to state statutes and these Rules.

B. Non-Discrimination

LCD is committed to providing an environment in all Party activities that is free from discrimination and harassment. Discrimination and harassment based on race, age, creed, color, religion, national origin or ancestry, sex, gender, disability, economic status, veteran status, genetic information, sexual orientation, gender identity/expression, or pregnancy is prohibited.

C. Reference to Gender

All written documents issued from the LCD shall be worded in such fashion as to eliminate the presumption of any gender in either speaker or listener, or one acting or one listening. All members of the LCD will strive to eliminate gender-charged language from all communication.

D. Affirmative Action Outreach

In order to create full participation by all Democrats in the LCD, the LCD shall adopt and implement affirmative action programs with specific goals, budgets, and timetables for achieving results. The LCD values the participation of all its diverse members and recognizes that diversity is our strength as Democrats. All members of the LCD shall take reasonable steps to foster participation at all levels of the Party and in all Party affairs of traditionally underrepresented groups, such as ethnic, racial minorities, women, youth, poor, gay, lesbian, bisexual, transgender, and differently-abled in such numbers as nearly as practicable.

1. Goal

The goal of such affirmative action shall be to create such participation in delegate election processes and in the LCD of the aforementioned groups as indicated by their presence in the Democratic electorate.

2. Quotas

This goal shall not be accomplished either directly or indirectly by the LCD's imposition of mandatory quotas at any level of the delegate selection process or in any other LCD affairs.

3. Equal Division

The concept of equal division between delegates or committee persons based upon gender shall not be used as a mandatory quota. Rather, equal division and the actions to support it are the practical implementation of valuing diversity and assuring the largest pool of ideas, people, and solutions to further LCD goals.

4. Administration and Enforcement

The State Outreach Commission shall administer and enforce the state affirmative action/outreach plan. (See CDP Rules 3.3.M.1.)

E. Open Meetings

All meetings at all levels of the LCD are open, however, only registered Democrats or persons authorized by the Chair of any meeting may address meetings of the LCD. The Chair has the authority

to remove anyone who is being disruptive. Only persons authorized by the Chair may record any meeting.

F. Fair Reflection

Delegates to all LCD assemblies and Conventions shall be chosen in a manner which fairly reflects the division of candidate preference, including uncommitted, expressed by those participating in the nominating process including the representation of minority and divergent views. Delegates to Conventions shall be allocated to presidential candidate preferences in a fashion that fairly reflects the proportion of votes each candidate received in the Colorado Presidential Primary.

Delegates to assemblies shall be allocated in a fashion that fairly reflects the preferences expressed in a poll based on the highest contested race in the state or district for which the Assembly is being held.

G. Ethical Standards

The LCD shall encourage and support the [CDP Code of Conduct Policy and Neutrality Policy](#) that embody ethical guidance for public officials and employees, candidates for public office, and Party officials.

H. Assessments.

No delegate to any Assembly or Convention, nor any candidate for Party or public office, shall be required to pay any assessment or to make a financial contribution.

B. Convening with Democratic leaders

2.4 – VOTING AND ELECTIONS

A. Majority and plurality votes

Unless otherwise provided in these rules, CDP rules, DNC rules or state law, all issues and elections with a single winner shall be decided by majority vote; issues and elections with two or more winners will be decided by the highest vote totals.

B. Exhaustive voting

In single winner majority vote elections where there are more than 2 candidates, if at the end of each round of voting there is no candidate with a simple majority, the candidate with the lowest vote total shall be removed from the ballot for the next round of voting. This process shall continue until one candidate reaches a simple majority and is declared the winner. Once the voting starts for an office, no additional candidates will be added to that ballot.

C. Alternative forms of voting

County or district officers may choose to use an alternative form of voting upon approval by the State Party officers. The county or district officers must submit a proposal with instructions to the State Executive Committee on how to mark the ballots. The submitting officers must also demonstrate sufficient understanding of the vote counting process through their proposal to instill confidence. Approval by the State Party officers must be obtained before issuing the meeting call. Alternative forms of voting can only be used for internal Party elections and cannot be used to designate candidates for the primary ballot.

D. Remote voting

For meetings involving remote participation or both in-person and remote participation, the meeting administrators shall provide voting procedures that are substantially compatible with and comparable to those for in-person meetings. All remote participation plans must include a way to verify the identity of who is participating and a record of all votes taken.
